

Complaints and Compliments Policy 2024

Linskill Nursery believes that parents are entitled to expect courtesy and prompt, careful attention to their individual needs and wishes.

We hope that at all times you will be happy with the service provided and that you might like to voice your appreciation in person to the staff concerned, or alternatively you may wish to send an email to nursery@linskill.org or you can send a message through the Famly app.

Complaints will be dealt with professionally and promptly to ensure that any issues arising from these complaints are handled effectively and to ensure the welfare of all children.

We welcome any suggestions from parents on how we can improve our services, and will give prompt and serious attention to any concerns that you may have by following our complaints procedure as outlined below:

If any parent should have cause for complaint or any queries regarding the care or early learning provided by the nursery, they should in the first instance take it up with the child's Key Worker and Room Senior.

If the issue remains unresolved or parents feel they have received an unsatisfactory outcome, then these concerns must be presented in writing to the Nursery Manager. The Manager will then investigate the complaint and report back to the parent within three working days. This will be fully documented in the complaints file and will detail the nature of the complaint and any actions arising from it.

If the matter is still not resolved a formal meeting will be held between the Nursery Manager, the Children and Young People's Manager and the parents to ensure that it is dealt with comprehensively. A record of the meeting will be made along with documented actions. All parties present at the meeting will review the accuracy of the record, sign to agree and receive a copy, which will signify the conclusion of the procedure.
